VOLUME 7. MARYVILLE, MISSOURI, FRIDAY, JAN. 12, 1917. NO. 191.

CONVENTION LANDED

1917 MEETING OF THE STATE S. S. ASSOCIATION HERE.

DATES ARE NOV. 20-21-22

Talent For Sessions To Cost About $1,700—Bonus of $500 to be Furnished By Maryville.

Maryville will be the place of the 1917 convention of the Missouri State Sunday School association, according to word received by Beal Roseberry, president of the Nodaway County association last night. Herman Bowmar, general secretary of the state association, sent the word to Mr. Roseberry immediately after the meeting of the committee on location at St. Louis. Moberly and Joplin were the other contestants in the field for the meeting.

The convention will be held in Maryville November 20, 21 and 22, and will bring about 800 visitors to the city. The talent for the program will cost the association about $1,700, and will consist of the best lecturers on Sunday School work in the United States.

In Mexico, where the last convention was held last November, fourteen different conferences on Sunday School work were held, besides the regular general sessions. The questions discussed were along the lines of pedagogy, and also dealt with the general subjects of attendance and finance. The sessions at Mexico were attended by Miss Eva Davis, G. B. Roseberry, and Mrs. Raymond Barry of Maryville, A. O. Lincoln of Burlington Junction and Orlo Lincoln of Pickering. The number of delegates attending was 772 and 73 counties were represented.

The amount needed to bring the convention here is $500. This amount will be furnished by the churches and the Commercial club. The five Protestant Sunday Schools will each give $50, and the remaining $250 will be furnished by the Commercial club.

Nodaway County Sunday schools are in the front line rank, having met all the requirements necessary. Twenty-seven counties have attained this distinction.

ABOUT THE MARYVILLE TEAM

Has Reputation in St. Joseph for Being the Best Basketball Squad the Maryville High School Has Had.

The 1917 season for the Central high school basketball team will open tonight when the Maryville High School five will appear against the Blue and White in the Central High School gymnasium. Two of the stars of the Central team will be out of the game tonight, as "Bud" Meyers is out of the game with an injured finger, and Owen Sellars is incapacitated for play by reason of a bad ankle. Their places will be taken by Cash or Slater and Burkhart. Both of the injured men are guards. Either Rupard or Tull will be used at center and the forwards will be chosen from Light, Whitehead, and Packwood.

The Maryville bunch is coming with a reputation for being the best team that school has turned out in several seasons and Coach Moyer's boys will probably have a real game on their hands. A preliminary game will be played between the second team of Central and a team representing the First Methodist church. The Central "Yannigans" will be composed of either Sollars or Bealls at center, Woodside, Hode or Symon at guard positions, and McEwen, Wise or Scott for forwards. The second team has been showing up well in practice and has given the first team some hard work-outs. The preliminary game will be called at 7:30 o'clock.—St. Joseph Gazette.

Those who will go to St. Joseph on the 4:40 this afternoon for the game are: Groppe, Martin, Egley, Holmes, Woodward, Condon and Pickens, who are on the team; Coach Shultz and Professor Magee, Ralph Wray, Earl Lewis, Don Rozelle, Robert McGinty, Carl Yowell and Emmet Bartram.

Miss Byrnes to Colorado.

Miss Anna Byrnes who has been visiting her sister, Mrs. A. K. Felix, will leave tomorrow for Denver, Colo., where she has a position in a millinery store.

Appointed Rural Carrier.

Frowin J. King of Conception Junction has been appointed as rural carrier on Route No. 2 out of that office.

'THE SOULS SENSES'

DR. W. F. RICHARDSON ADDRESSED YOUNG PEOPLE LAST NIGHT.

NAMES SPIRITUAL ORGANS

Says Five Physical Senses of Ours Have Their Correlations in Our Spiritual Nature.

Dr. W. F. Richardson preached on the "Senses of the Soul," to the young people of the church last night. He took his text from Hebrews, 5:14. He showed as did the writer to the Hebrews that the development of the senses of the body is like the craving of the spiritual faculties which makes one wise unto salvation.

"And it is a peculiar fact," said Doctor Richardson, that these five physical senses of ours have their correlatives in our spiritual nature.

The Sense of Smell.

"Take first the sense of smell. Its office is to detect the obnoxious and poisonous odors, and to defend the body against the vapors and gases which would destroy life or produce nausea in the system. The spirit of man has a sense analogous to this, and that is conscience. The prophet, Isaiah says of the Christ to come that he would be "Quick of scent in the fear of the Lord.' Like the hound following his prey, who by the quickness of his scent would follow the obscure trial of his prey, so the Messiah would follow the line of duty wherever it led him through the intricacies of human life.

"Let the soul keep its conscience alive and the power to discern will not be exercised in vain.

The Sense of Hearing.

"A second sense of the body is that of hearing. Through this sense flow into man's life all the harmonies of earth and heaven. To cultivate the sense of hearing is to make possible the enjoyment of all of life's sweetest melodies. One needs, however, to use that sense of hearing as to become deaf to the things that would mar life, or disturb its highest exercise. The sleeper on the noisy street must cultivate a deafness to its noises. The musician must cultivate an alertness to the slightest distinction of sound. To sing flat is bad enough; to sing flat and not know it, is worse.

"The soul, too, has its sense of hearing. Solomon prayed to God that he migh have a hearing heart, and he became the wisest man of his time. 'Hear, and thy soul shall live.' This sense of the soul we call teachableness, — the desire to learn the truth. And no well-developed soul ever existed wherein this quality was not cultivated.

The Sense of Sight.

"A third sense of the body is that of sight. Queen of all the physical faculties, prime jewel in the diadem of physical blessings, its loss is incalculably sad, and its proper use inestimably joyous.

"That sense of sight in spiritual things recalls faith. For faith is the power to see things invisible. It is that faculty of the soul whereby the universe is seen to be one and indivisible. We walk by faith; we are justified by faith; we know God by faith. And he who neglects this spiritual faculty becomes saddest of all God's unfortunate children in that he cannot behold his Father's face. Cherish your faith, for it is the supreme gift of God.

The Sense of Taste.

"The fourth sense of the body is that of taste. Taste stands out at the gateway of the body to turn away all unwelcome comers, and to admit only the wholesome and the good. Yet, this sense may, like others, become depraved so that the thing which at first was loathsome is craved by the degenerate appetite. No boy ever put tobacco into his mouth without being sickened, but under the mistaken idea that he is making a man of himself, he persists in its use until he comes to relish its disgusting flavor. The use of strong drink comes through like degrading of this sense of taste.

"So, the spiritual sense of judgment stands as a sentinel at the gate of the soul's life and when it is dilligently exercised will keep its cleanliness so that evil will be recognized and refused, and the good and the true welcomed and enjoyed.

"But let judgment's dictates be disregarded and that which is known to be noxious to the soul but once indulged in, and the paralyzing effect upon judgment begins at once to be realized. And one comes at last to the point where evil appears good and good evil.

The Sense of Touch.

"The fifth sense of the body is that of touch and this is correlated to the spiritual sense of sympathy. Jesus had this marvelous sense of sympathy as no other ever did. The afflicted woman pushing her way through the throng and touching the hem of His garment, was instantly detected. His sensitive soul recognized the timid touch of faith, and the healing virtue of his blessed life flowed forth immediately for her redemption.

"So do we all need to cultivate this spiritual sense of touch, this sympathy whereby we will respond to every appeal of the needy round about us. So shall we be true disciples of the Master and so shall the virtue that flows from his life into ours flow out again for the relief of others.

The Work of the Church.

"The Church of Jesus Christ is the school in which the great Teacher would cultivate in us these senses of the soul and train us in their effective exercise. And he is making the great mistake of his life who neglects or refuses to enroll in this school where all his spiritual faculties could be trained to noblest uses."

200 WERE PRESENT

JAMES DECKER, GRAHAM, HEADS I. O. O. F. ASSOCIATION.

NEXT SESSION AT GRAHAM

Benjamin Weidle, Grand Secretary, Offers Loving Cup to Lodge Making Highest Per Cent of Attendance.

Two hundred members of the Nodaway County Odd Fellows association attended the program, business meeting and conferring of degrees, held yesterday afternoon and evening in Maryville.

The first program was given at 1:30 o'clock yesterday afternoon at the First Methodist church. The invocation was delivered by the Rev. S. A. Coile, pastor of the First Presbyterian church. The welcome address was made by Mayor A. S. Robey and the response in behalf of the fourteen lodges represented at the meeting was made by J. C. Starr. This was followed by a solo and encore by the Rev. G. S. Cox, pastor of the First Methodist church. A reading by Prof. Harry A. Miller, an address by Benjamin Weidle grand secretary of the state I. O. O. F. and a song by a male quartette closed the program.

After the program, which was open to the public, the Odd Fellows had their business session at their hall.

They chose Graham as their next meeting place and set the time of the quarterly meeting for the second Thursday in April. They elected the following officers: president, James Decker, of Graham; vice-president, V. A. Guthrie, of Wilcox; secretary, Fred Crawford, Graham; treasurer, Henry Staple, of Burlington Junction, and chaplain, J. C. Spahr, of Skidmore.

At the public session at the Methodist church the principal address was made by Benjamin Weidle, grand secretary of the state I. O. O. F. In the evening he offered a loving cup to the Nodaway County lodge making the greatest per cent of increase at each quarterly meeting. The cup will be passed around, and the lodge which gets it for three consecutive times will be allowed to keep it.

In the evening the four degrees were given, after which light refreshments were served to the members.

ABOUT DR. WALLACE

NOTED LECTURER, GREATEST AUTHORITY ON SHAKESPEARE.

FORMERLY OF HOPKINS

Nodaway County Rearing and Prominence in the Research World Makes Appearance Doubly Interesting.

The members of the Shakespeare Department of the Twentieth Century club as well as the members of other sections together with other clubs of the city are looking forward to the appearance of Dr. Charles William Wallace, noted Shakespearean lecturer with pleasure and anticipation. It is probable that the members of these clubs will procure the complimentary tickets and attend the lecture at the Normal School next Tuesday morning in a body.

The fact that Doctor Wallace was formerly of Hopkins, makes his appearance in Nodaway county doubly interesting. His Shakespearean researches are considered unequalled by those of any scholar who has studied during the three hundred years since the death of the great English playwright. It is said that he has revealed much about the life of Shakespeare that would have remained unknown were it not for his enterprise and ability to get at the facts.

Doctor Wallace, who was previously a professor of English literature at the University of Nebraska, obtained a leave of absence and spent the last seven years continuously at the work of unearthing new documents about Shakespeare and the drama and dramatists and theatres of his time, among the English national archives of London.

Through the efforts of some who take pride in American scholarship and American achievement, after repeated urgings from year to year to lecture in America, he is this season interrupting his European researches in order to make an extensive tour of the United States.

Dr. Wallace's researches have earned him the distinction in Europe and America of being the "foremost authority on Shakespeare."

For nearly a half century prior to his researches, up to ten years ago, scholars believed and taught in the Universities and the text books of the world, that everything was known about Shakespeare and the theatres that we would ever hope to know, and that all the original documentary sources had been found and thoroughly searched by English scholars, as they themselves claimed and believed.

Today all is changed and no field of research is now looked to with larger expectations. In the course of years, covering a search of over 5,000,000 records, many of them never examined by anyone else since they were filed away three or four hundred years ago, Professor Wallace and his wife have found more materials on Shakespeare and the theatres of his age than have been found by their illustrious predecessors in three centuries. These facts all conspire to make the appearance of Doctor Wallace in Maryville an event of the greatest importance.

GETTING PETITION SIGNERS

Mrs. H. W. DeWell of Moberly Here In Interests of Return of Fourth Regiment Band.

A petition was circulated in Maryville yesterday by Mrs. H. W. DeWell of Moberly, who claimed to have been sent by the people of Kansas City, to Senator James Reed asking for the return of the Missouri Fourth Regiment from the border.

Mrs. DeWell has a brother in the regiment and is very anxious for his return. All of the towns interested Mrs. De Wells said, had sent petitions to Senator Reed with the exception of Maryville, Bethany and Mound City, and Senator Reed said that if these towns would do so, he would have a surprise for them soon. Mrs. DeWells received a number of signatures to the petition in Maryville.

HARRY THAW MAY RECOVER

Passed a Fairly Comfortable Night and Seems to Have a Desire to Live Would Make No Statement.

Special to The Democrat-Forum.

Philadelphia, Jan. 12.—Harry Thaw, who slashed himself with a razor yesterday afternoon when the officers, on his trail for the alleged kidnapping of Frederick Gump, Jr., of Kansas City, found him, is battling for his life in a hospital here today. Two detectives at his bedside said that he seemed to have a desire to live this morning. He passed a fairly comfortable night and the physicians say that he has a fair chance for recovery. He lies in a sort of daze and will make no statement.

$5,000,000 FACTORY LOSS

Scores Hurt, But No One Killed in a Fire and Explosion of Ammunitions Works in New Jersey.

Special to The Democrat-Forum.

King's Land, N. J., Jan. 12.—A mass of smoldering ruins, from which still come the sound of occasional exploding shells, more than a thousand homeless, and a loss estimated at $5,000,000 today tell the story of the explosion of the ammunitions factory of the Canadian Car and Foundry Company, which yesterday afternoon caused a panic throughout the country side and caused thousands to flee to safety.

A great fire raged in the plant, which covers several acres. Scores were injured, but no one was killed.

STATE AUDITOR INDICTED

George Hackmann, Only Republican At Capitol Is Charged With Perjury—Making False Affidavits.

Special to The Democrat-Forum.

Jefferson City, Jan. 12.—The news that State Auditor George Hackmann was indicated by the Warren county grand jury on a charge of perjury and of making false affidavits while county clerk, hit the capital like a flash of lightning today. Hackmann says that the indictment was the work of political enemies. He was the only Republican elected to a state office in November.

PEACE IMPOSSIBLE

ALLIES SAY THAT TERMS CAN'T BE ARRANGED AT THIS TIME.

BELGIUM ANSWERS, TOO

Expresses Desire for Peace, But Declares That Settlement Must Include Reparation and Future Security.

Special to The Democrat-Forum.

Washington, Jan. 12.—The Entente Allies, replying to President Wilson's peace note in a joint communication, express the belief that it is impossible at the present moment to attain a peace that will assure them reparation, restitution and such guarantees as they consider as essential.

In a separate note the Belgian government expresses its desire for peace, but declares it could only accept a settlement which would assure its reparation and security in the future.

The German note to neutrals, published simultaneously with the Entente reply, came as a distinct surprise. It promptly was characterized by the Entente diplomats as a carefully prepared and timed address to the world calculated to offset the Entente statement of aims and purposes.

Peace at an early date is foreseen here now only on terms known to be unacceptable to Germany. The Allies are believed to have committed themselves by the definiteness of their statements to a continuation of the war until such time as they have either attained or been convinced that they cannot attain a military victory. Their note is regarded as so emphatic that they cannot retreat from it without at least one more spring campaign.

Germany and its allies, it was stated here tonight, never will agree to terms similar to those in the Entente note.

With reference to suggestions that failure to secure peace at this time would be followed by a new outbreak of submarine warfare, it was again declared at the German embassy that Germany would under no conditions permit violation of pledges to the United States.

London, Jan. 12.—Unanimous approval was given by the British press today to the Entente's reply to Wilson's note.

Paris, Jan. 12.—The Entente's reply to Wilson was made public this morning, and all the allied capital dispatches from Petrograd, London and Rome say that it was received with the utmost approval by the public and press. France was particularly pleased.

Washington, Jan. 12.—The way is clear for Wilson to continue his effort toward peace. This is the interpretation put upon the Entente note by the administration officials and the neutral diplomats here. The terms stated in the note were only slightly greater in their demands than were forecasted by peace experts.

House Confers With Wilson.

Washington, Jan. 12.—Colonel House reached the White House early this morning and went into a conference with the president. It is understood that both believe the way is open for still further moves by the United States to urge peace.

Rev. James M. Brewster of Coffey, Mo., will begin the pastorate of the Elmo Christian Church on next Sunday. He will preach there twice a month, the second and fourth Sundays. Rev. Brewster will make his home in Maryville.

THE WEATHER.

From-Still Wedding.

Miss Lena Johanna From of Conception Junction and Charley Still of Maryville were married at the home of the bridegroom's parents, Mr. and Mrs. W. M. Still, on South Saunders street at 9:30 o'clock last night. The Rev. Robert C. Holliday performed the ceremony. The attendants at the wedding were Miss Mary From, a sister of the bride and Roy Mayes, a nephew of the groom.

After the ceremony a two-course luncheon was served by Mrs. Still to the following relatives and friends of the couple: Mr. and Mrs. James From, parents of the bride, Miss Anna From, Mrs. J. Mayes, Misses Minnie and Lillie Mayes; Marion, Herbert and Glen Guard, Chris From and Bud Seeley.

Mr. Still, who was reared in Maryville is a member of the Fourth Missouri Regiment and is home on a thirty day furlough. Mrs. Still has been living in Maryville for a few years. She will live with Mr. Still's parents until her husband's return from the border.

Willing Workers Entertain.

The Willing Workers were entertained at the home of Mr. and Mrs. J. W. Kennedy of Parnell. The guests were received by four little girls, who were dressed to represent the four seasons, spring, summer, autumn and winter. They were then introduced to old Mother Time, who gave them books and pencils and bade them enter her gallery of fame. Fame was represented by a young woman dressed to suit the part, and on the walls hung pictures of famous men, such as presidents, governors, and authors, and the one guessing the most names of the famous men was awarded a prize. The prize went to Mrs. E. J. Klaas.

Each of the members present took with them their baby pictures, and the person guessing the most of the pictures was also awarded a prize. Next the guests were presented with large maple leaves on which were the words, "Turn Over A New Leaf." On the inside of these were resolutions for the coming year. This created much merriment among the guests.

To secure their partners for supper, the men were presented with a slip of paper on which was the name of a month, and the women with a slip of paper on which was painted a scene, or a flower to represent a month. These were matched and the one holding the corresponding slips of paper were partners.

A delightful two-course luncheon was served by the committee. One member discovered that at the first table were seated three presidents, president of the bank, president of the school board and the president of the Willing Workers. Toasts and responses were then called for. At the end of the luncheon all the guests were given a connundrum which was done up in powder form and which said: "one after each meal." This caused a merry laugh. J. S. Stewart of Twin Falls, Idaho, was the honor guest. At a late hour all departed for their homes thanking Mr. and Mrs. Kennedy for the pleasant time they had.

Waiting doesn't pay.
If you neglect kidney backache,
Urinary troubles often follow.
Doan's Kidney Pills are for kidney backache, and for other kidney ills.
Maryville citizens endorse them.

Mrs. Hattie Hogue, 121 Hester street, Maryville, says: "For at least five years I had trouble with my back and kidneys. A dull ache settled just across the small of my back. When I tried to bend or lift I got a sharp catch in my back. My kidneys acted much too frequently, especially at night, disturbing my rest and making me feel all tired out in the morning. Doan's Kidney Pills gave very fine benefit at once and continued use brought lasting results. It has been some time now since I have needed such a medicine."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hogue had. Foster-Milburn Co., Props., Buffalo, N. Y.

DOES RHEUMATISM BOTHER YOU?

Many Doctors Use Musterole

So many sufferers have found relief in Musterole that you ought to buy a small jar and try it.

Just spread it on with the fingers. Rub it in. First you feel a gentle glow, then a delicious, cooling comfort. Musterole routs the twinges, loosens up stiffened joints and muscles.

Musterole is a clean, white ointment, made with oil of mustard. It penetrates to the seat of pain and drives it away, but does not blister the tenderest skin.

It takes the place of the mussy, old fashioned mustard plaster.

Musterole is recommended for bronchitis, croup, asthma, pleurisy, lumbago, neuralgia, sprains, bruises, stiff neck, headache and colds of the chest (it often prevents pneumonia).

MUSTEROLE
WILL NOT BLISTER

Turn This Thought Over in Your Mind
for a Few Times.

How much better off are you than a year ago today? How much more independent are you from financial worry? Perhaps you are. Perhaps you used good judgment and no doubt you will continue to be in a still better position.

But if you are not better off financially. If your expenses are greater and you are shouldering new and greater responsibilities, you have a way of being in the first place next year. Many who have put their spare money in a Real Estate Savings Account have made themselves independent of financial worry. They started with a little and their savings grew steadily until they had money for investment. You can do the same.
You can open your account tomorrow.

YOU do not have to "become accustomed" to Ivory Soap for the toilet and bath, as to use it once is to like it always.

Ivory Soap contains nothing that is not agreeable to everybody. It contains no inferior materials to give a strong odor. It contains no free alkali to make the skin smart. It contains no free oil to make rinsing difficult. It contains no perfume which one person may like and another dislike.

In short, Ivory simply is the highest grade of soap, mild, pure, white, *naturally* pleasing. You will like it.

PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel—there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists.

Every Ingredient Purely Vegetable

VEGETABLE vs MINERAL MEDICINES

If you were as careful of the medicines you take when sick as you are anxious about the disease it is taken for—a wonderful difference in your future health would result.

In a vegetable product like S.S.S. there is no violent after effect—as is found in mineral medicines—but a natural an efficient means of reaching the blood and purifying it, so that it may perform its functions readily.

Remember—any mineral is a violent material to cast into your delicate interior. Demand genuine S.S.S. at your druggist, it is purely vegetable and the Standard Blood Remedy.

DAILY DEMOCRAT-FORUM

NEWS DISPATCHES FROM THE INTERNATIONAL NEWS SERVICE.

VOLUME 7. MARYVILLE, MISSOURI, FRIDAY, JAN. 12, 1917. NO. 191.

CONVENTION LANDED

1917 MEETING OF THE STATE S. S. ASSOCIATION HERE.

DATES ARE NOV. 20-21-22

Talent For Sessions To Cost About $1,700—Bonus of $500 to be Furnished By Maryville.

Maryville will be the place of the 1917 convention of the Missouri State Sunday School association, according to word received by Beal Roseberry, president of the Nodaway County association last night. Herman Bowmar, general secretary of the state association, sent the word to Mr. Roseberry immediately after the meeting of the committee on location at St. Louis. Moberly and Joplin were the other contestants in the field for the meeting.

The convention will be held in Maryville November 20, 21 and 22, and will bring about 800 visitors to the city. The talent for the program will cost the association about $1,700, and will consist of the best lecturers on Sunday School work in the United States.

In Mexico, where the last convention was held last November, fourteen different conferences on Sunday School work were held, besides the regular general sessions. The questions discussed were along the lines of pedagogy, and also dealt with the general subjects of attendance and finance. The sessions at Mexico were attended by Miss Eva Davis, G. B. Roseberry, and Mrs. Raymond Barry of Maryville, A. O. Lincoln of Burlington Junction and Orlo Lincoln of Pickering. The number of delegates attending was 772 and 73 counties were represented.

The amount needed to bring the convention here is $500. This amount will be furnished by the churches and the Commercial club. The five Protestant Sunday Schools will each give $50, and the remaining $250 will be furnished by the Commercial club.

Nodaway County Sunday schools are in the front line rank, having met all the requirements necessary. Twenty-seven counties have attained this distinction.

ABOUT THE MARYVILLE TEAM

Has Reputation in St. Joseph for Being the Best Basketball Squad the Maryville High School Has Had.

The 1917 season for the Central high school basketball team will open tonight when the Maryville High School five will appear against the Blue and White in the Central High School gymnasium. Two of the stars of the Central team will be out of the game tonight, as "Bud" Meyers is out of the game with an injured finger, and Owen Sellars is incapacitated for play by reason of a bad ankle. Their places will be taken by Cash or Slater and Burkhart. Both of the injured men are guards. Either Rupard or Tull will be used at center and the forwards will be chosen from Light, Whitehead, and Packwood.

The Maryville bunch is coming with a reputation for being the best team that school has turned out in several seasons and Coach Moyer's boys will probably have a real game on their hands. A preliminary game will be played between the second team of Central and a team representing the First Methodist church. The Central "Yannigans" will be composed of either Sollars or Bealls at center, Woodside, Hode or Symon at guard positions, and McEwen, Wise or Scott for forwards. The second team has been showing up well in practice and has given the first team some hard work-outs. The preliminary game will be called at 7:30 o'clock.—St. Joseph Gazette.

Those who will go to St. Joseph on the 4:40 this afternoon for the game are: Groppe, Martin, Egley, Holmes, Woodward, Condon and Pickens, who are on the team; Coach Shultz and Professor Magee, Ralph Wray, Earl Lewis, Don Rozelle, Robert McGinty, Carl Yowell and Emmet Bartram.

Miss Byrnes to Colorado.

Miss Anna Byrnes who has been visiting her sister, Mrs. A. K. Felix, will leave tomorrow for Denver, Colo., where she has a position in a millinery store.

Appointed Rural Carrier.

'THE SOULS SENSES'

DR. W. F. RICHARDSON ADDRESSED YOUNG PEOPLE LAST NIGHT.

NAMES SPIRITUAL ORGANS

Says Five Physical Senses of Ours Have Their Correlations in Our Spiritual Nature.

Dr. W. F. Richardson preached on the "Senses of the Soul," to the young people of the church last night. He took his text from Hebrews, 5:14. He showed as did the writer to the Hebrews that the development of the senses of the body is like the craving of the spiritual faculties which makes one wise unto salvation.

"And it is a peculiar fact," said Doctor Richardson, that these five physical senses of ours have their correlatives in our spiritual nature.

The Sense of Smell.

"Take first the sense of smell. Its office is to detect the obnoxious and poisonous odors, and to defend the body against the vapors and gases which would destroy life or produce nausea in the system. The spirit of man has a sense analogous to this, and that is conscience. The prophet, Isaiah says of the Christ to come that he would be "Quick of scent in the fear of the Lord.' Like the hound following his prey, who by the quickness of his scent would follow the obscure trial of his prey, so the Messiah would follow the line of duty wherever it led him through the intricacies of human life.

"Let the soul keep its conscience alive and the power to discern will not be exercised in vain.

The Sense of Hearing.

"A second sense of the body is that of hearing. Through this sense flow into man's life all the harmonies of earth and heaven. To cultivate the sense of hearing is to make possible the enjoyment of all of life's sweetest melodies. One needs, however, to use that sense of hearing as to become deaf to the things that would mar life, or disturb its highest exercise. The sleeper on the noisy street must cultivate a deafness to its noises. The musician must cultivate an alertness to the slightest distinction of sound. To sing flat is bad enough; to sing flat and not know it, is worse.

"The soul, too, has its sense of hearing. Solomon prayed to God that he migh have a hearing heart, and he became the wisest man of his time. 'Hear, and thy soul shall live.' This sense of the soul we call teachableness, — the desire to learn the truth. And no well-developed soul ever existed wherein this quality was not cultivated.

The Sense of Sight.

"A third sense of the body is that of sight. Queen of all the physical faculties, prime jewel in the diadem of physical blessings, its loss is incalculably sad, and its proper use inestimably joyous.

"That sense of sight in spiritual things recalls faith. For faith is the power to see things invisible. It is that faculty of the soul whereby the universe is seen to be one and indivisible. We walk by faith; we are justified by faith; we know God by faith. And he who neglects this spiritual faculty becomes saddest of all God's unfortunate children in that he cannot behold his Father's face. Cherish your faith, for it is the supreme gift of God.

The Sense of Taste.

"The fourth sense of the body is that of taste. Taste stands out at the gateway of the body to turn away all unwelcome comers, and to admit only the wholesome and the good. Yet, this sense may, like others, become depraved so that the thing which at first was loathsome is craved by the degenerate appetite. No boy ever put tobacco into his mouth without being sickened, but under the mistaken idea that he is making a man of himself, he persists in its use until he comes to relish its disgusting flavor. The use of strong drink comes through like degrading of this sense of taste.

"So, the spiritual sense of judgment stands as a sentinel at the gate of the soul's life and when it is dilligently exercised will keep its cleanliness so that evil will be recognized and refused, and the good and the true welcomed and enjoyed.

"But let judgment's dictates be disregarded and that which is known to be noxious to the soul but once indulged in, and the paralyzing effect upon judgment begins at once to be realized. And one comes at last to the point where evil appears good and good evil.

The Sense of Touch.

"The fifth sense of the body is that of touch and this is correlated to the spiritual sense of sympathy. Jesus had this marvelous sense of sympathy as no other ever did. The afflicted woman pushing her way through the throng and touching the hem of His garment, was instantly detected. His sensitive soul recognized the timid touch of faith, and the healing virtue of his blessed life flowed forth immediately for her redemption.

"So do we all need to cultivate this spiritual sense of touch, this sympathy whereby we will respond to every appeal of the needy round about us. So shall we be true disciples of the Master and so shall the virtue that flows from his life into ours flow out again for the relief of others.

The Work of the Church.

"The Church of Jesus Christ is the school in which the great Teacher would cultivate in us these senses of the soul and train us in their effective exercise. And he is making the great mistake of his life who neglects or refuses to enroll in this school where all his spiritual faculties could be trained to noblest uses."

200 WERE PRESENT

JAMES DECKER, GRAHAM, HEADS I. O. O. F. ASSOCIATION.

NEXT SESSION AT GRAHAM

Benjamin Weidle, Grand Secretary, Offers Loving Cup to Lodge Making Highest Per Cent of Attendance.

Two hundred members of the Nodaway County Odd Fellows association attended the program, business meeting and conferring of degrees, held yesterday afternoon and evening in Maryville.

The first program was given at 1:30 o'clock yesterday afternoon at the First Methodist church. The invocation was delivered by the Rev. S. A. Colle, pastor of the First Presbyterian church. The welcome address was made by Mayor A. S. Robey and the response in behalf of the fourteen lodges represented at the meeting was made by J. C. Starr. This was followed by a solo and encore by the Rev. G. S. Cox, pastor of the First Methodist church. A reading by Prof. Harry A. Miller, an address by Benjamin Weidle grand secretary of the state I. O. O. F. and a song by a male quartette closed the program.

After the program, which was open to the public, the Odd Fellows had their business session at their hall.

They chose Graham as their next meeting place and set the time of the quarterly meeting for the second Thursday in April. They elected the following officers: president, James Decker, of Graham; vice-president, V. A. Guthrie, of Wilcox; secretary, Fred Crawford, Graham; treasurer, Henry Staple, of Burlington Junction, and chaplain, J. C. Spahr, of Skidmore.

At the public session at the Methodist church the principal address was made by Benjamin Weidle, grand secretary of the state I. O. O. F. In the evening he offered a loving cup to the Nodaway County lodge making the greatest per cent of increase at each quarterly meeting. The cup will be passed around, and the lodge which gets it for three consecutive times will be allowed to keep it.

In the evening the four degrees were given, after which light refreshments were served to the members.

ABOUT DR. WALLACE

NOTED LECTURER, GREATEST AUTHORITY ON SHAKESPEARE.

FORMERLY OF HOPKINS

Nodaway County Rearing and Prominence in the Research World Makes Appearance Doubly Interesting.

The members of the Shakespeare Department of the Twentieth Century club as well as the members of other sections together with other clubs of the city are looking forward to the appearance of Dr. Charles William Wallace, noted Shakespearean lecturer with pleasure and anticipation. It is probable that the members of these clubs will procure the complimentary tickets and attend the lecture at the Normal School next Tuesday morning in a body.

The fact that Doctor Wallace was formerly of Hopkins, makes his appearance in Nodaway county doubly interesting. His Shakespearean researches are considered unequalled by those of any scholar who has studied during the three hundred years since the death of the great English playwright. It is said that he has revealed much about the life of Shakespeare that would have remained unknown were it not for his enterprise and ability to get at the facts.

Doctor Wallace, who was previously a professor of English literature at the University of Nebraska, obtained a leave of absence and spent the last seven years continuously at the work of unearthing new documents about Shakespeare and the drama and dramatists and theatres of his time, among the English national archives of London.

Through the efforts of some who take pride in American scholarship and American achievement, after repeated urgings from year to year to lecture in America, he is this season interrupting his European researches in order to make an extensive tour of the United States.

Dr. Wallace's researches have earned him the distinction in Europe and America of being the "foremost authority on Shakespeare."

For nearly a half century prior to his researches, up to ten years ago, scholars believed and taught in the Universities and the text books of the world, that everything was known about Shakespeare and the theatres that we would ever hope to know, and that all the original documentary sources had been found and thoroughly searched by English scholars, as they themselves claimed and believed.

Today all is changed and no field of research is now looked to with larger expectations. In the course of years, covering a search of over 5,000,000 records, many of them never examined by anyone else since they were filed away three or four hundred years ago, Professor Wallace and his wife have found more materials on Shakespeare and the theatres of his age than have been found by their illustrious predecessors in three centuries. These facts all conspire to make the appearance of Doctor Wallace in Maryville an event of the greatest importance.

GETTING PETITION SIGNERS

Mrs. H. W. DeWell of Moberly Here In Interests of Return of Fourth Regiment Band.

A petition was circulated in Maryville yesterday by Mrs. H. W. DeWell of Moberly, who claimed to have been sent by the people of Kansas City, to Senator James Reed asking for the return of the Missouri Fourth Regiment from the border.

Mrs. DeWell has a brother in the regiment and is very anxious for his return. All of the towns interested Mrs. De Wells said, had sent petitions to Senator Reed with the exception of Maryville, Bethany and Mound City, and Senator Reed said that if these towns would do so, he would have a surprise for them soon. Mrs. DeWells received a number of signatures to the petition in Maryville.

HARRY THAW MAY RECOVER

Passed a Fairly Comfortable Night and Seems to Have a Desire to Live Would Make No Statement.

Special to The Democrat-Forum.

Philadelphia, Jan. 12.—Harry Thaw, who slashed himself with a razor yesterday afternoon when the officers, on his trail for the alleged kidnapping of Frederick Gump, Jr., of Kansas City, found him, is battling for his life in a hospital here today. Two detectives at his bedside said that he seemed to have a desire to live this morning. He passed a fairly comfortable night and the physicians say that he has a fair chance for recovery. He lies in a sort of daze and will make no statement.

$5,000,000 FACTORY LOSS

Scores Hurt, But No One Killed in a Fire and Explosion of Ammunitions Works in New Jersey.

Special to The Democrat-Forum.

King's Land, N. J., Jan. 12.—A mass of smoldering ruins, from which still come the sound of occasional exploding shells, more than a thousand homeless, and a loss estimated at $5,000,000 today tell the story of the explosion of the ammunitions factory of the Canadian Car and Foundry Company, which yesterday afternoon caused a panic throughout the country side and caused thousands to flee to safety.

A great fire raged in the plant, which covers several acres. Scores were injured, but no one was killed.

STATE AUDITOR INDICTED

George Hackmann, Only Republican At Capitol Is Charged With Perjury—Making False Affidavits.

Special to The Democrat-Forum.

Jefferson City, Jan. 12.—The news that State Auditor George Hackmann was indicated by the Warren county grand jury on a charge of perjury and of making false affidavits while county clerk, hit the capital like a flash of lightning today. Hackmann says that the indictment was the work of political enemies. He was the only Republican elected to a state office in November.

WILL HAVE "PAY-UP" WEEK

Maryville Merchants Decide to Have Annual Event February 19-24—Plans Formulated.

Maryville merchants met this morning and decided to have "Pay Up Week," February 19 to 24. Plans will be launched immediately by Secretary E. M. Claypool for giving proper publicity to the event, and it is hoped that by the time the affair is scheduled persons over the town and county will be apprised of the event, and know the slogan, "You pay your debts, so I can pay mine."

Revival Meeting Success.

Rev. W. H. Sunderburk, who is holding a revival meeting at Skidmore, in which all of the churches are taking part, is having a very successful and interesting meeting. There were three conversions last night. The pupils and faculty of the public school attend the meeting in a body.

Miss Ruth Matter is spending a few days on a farm near Bolckow, where she is the guest of Mrs Roy Jackson.

J. D. Montgomery left today for Fairbury, Neb., called there by the death of Mrs. Will Albright.

Miss Hilda Lahr, who has been on a vacation, has returned to her work at the Alderman-Yehle Dry Goods store.

PEACE IMPOSSIBLE

ALLIES SAY THAT TERMS CAN'T BE ARRANGED AT THIS TIME.

BELGIUM ANSWERS, TOO

Expresses Desire for Peace, But Declares That Settlement Must Include Reparation and Future Security.

Special to The Democrat-Forum.

Washington, Jan. 12.—The Entente Allies, replying to President Wilson's peace note in a joint communication, express the belief that it is impossible at the present moment to attain a peace that will assure them reparation, restitution and such guarantees as they consider as essential.

In a separate note the Belgian government expresses its desire for peace, but declares it could only accept a settlement which would assure its reparation and security in the future.

The German note to neutrals, published simultaneously with the Entente reply, came as a distinct surprise. It promptly was characterized by the Entente diplomats as a carefully prepared and timed address to the world calculated to offset the Entente statement of aims and purposes.

Peace at an early date is foreseen here now only on terms known to be unacceptable to Germany. The Allies are believed to have committed themselves by the definiteness of their statements to a continuation of the war until such time as they have either attained or been convinced that they cannot attain a military victory. Their note is regarded as so emphatic that they cannot retreat from it without at least one more spring campaign.

Germany and its allies, it was stated here tonight, never will agree to terms similar to those in the Entente note.

With reference to suggestions that failure to secure peace at this time would be followed by a new outbreak of submarine warfare, it was again declared at the German embassy that Germany would under no conditions permit violation of pledges to the United States.

London, Jan. 12.—Unanimous approval was given by the British press today to the Entente's reply to Wilson's note.

Paris, Jan. 12.—The Entente's reply to Wilson was made public this morning, and all the allied capital dispatches from Petrograd, London and Rome say that it was received with the utmost approval by the public and press. France was particularly pleased.

Washington, Jan. 12.—The way is clear for Wilson to continue his effort toward peace. This is the interpretation put upon the Entente note by the administration officials and the neutral diplomats here. The terms stated in the note were only slightly greater in their demands than were forecasted by peace experts.

House Confers With Wilson.

Washington, Jan. 12.—Colonel House reached the White House early this morning and went into a conference with the president. It is understood that both believe the way is open for still further moves by the United States to urge peace.

Rev. James M. Brewster of Coffey, Mo., will begin the pastorate of the Elmo Christian Church on next Sunday. He will preach there twice a month, the second and fourth Sundays. Rev. Brewster will make his home in Maryville.

THE WEATHER.

From-Still Wedding.

Miss Lena Johanna From of Conception Junction and Charley Still of Maryville were married at the home of the bridegroom's parents, Mr. and Mrs. W. M. Still, on South Saunders street at 9:30 o'clock last night. The Rev. Robert C. Holliday performed the ceremony. The attendants at the wedding were Miss Mary From, a sister of the bride and Roy Mayes, a nephew of the groom.

After the ceremony a two-course luncheon was served by Mrs. Still to the following relatives and friends of the couple: Mr. and Mrs. James From, parents of the bride, Miss Anna From, Mrs. J. Mayes, Misses Minnie and Lillie Mayes; Marion, Herbert and Glen Guard, Chris From and Bud Seeley.

Mr. Still, who was reared in Maryville is a member of the Fourth Missouri Regiment and is home on a thirty day furlough. Mrs. Still has been living in Maryville for a few years. She will live with Mr. Still's parents until her husband's return from the border.

Willing Workers Entertain.

The Willing Workers were entertained at the home of Mr. and Mrs. J. W. Kennedy of Parnell. The guests were received by four little girls, who were dressed to represent the four seasons, spring, summer, autumn and winter. They were then introduced to old Mother Time, who gave them books and pencils and bade them enter her gallery of fame. Fame was represented by a young woman dressed to suit the part, and on the walls hung pictures of famous men, such as presidents, governors, and authors, and the one guessing the most names of the famous men was awarded a prize. The prize went to Mrs. E. J. Klaas.

Each of the members present took with them their baby pictures, and the person guessing the most of the pictures was also awarded a prize. Next the guests were presented with large maple leaves on which were the words, "Turn Over A New Leaf." On the inside of these were resolutions for the coming year. This created much merriment among the guests.

To secure their partners for supper, the men were presented with a slip of paper on which was the name of a month, and the women with a slip of paper on which was painted a scene, or a flower to represent a month. These were matched and the one holding the corresponding slips of paper were partners.

A delightful two-course luncheon was served by the committee. One member discovered that at the first table were seated three presidents, president of the bank, president of the school board and the president of the Willing Workers. Toasts and responses were then called for. At the end of the luncheon all the guests were given a conundrum which was done up in powder form and which said: "one after each meal." This caused a merry laugh. J. S. Stewart of Twin Falls, Idaho, was the honor guest. At a late hour all departed for their homes thanking Mr. and Mrs. Kennedy for the pleasant time they had.

Mrs. Hattie Hogue, 121 Hester street, Maryville, says: "For at least five years I had trouble with my back and kidneys. A dull ache settled just across the small of my back. When I tried to bend or lift I got a sharp catch in my back. My kidneys acted much too frequently, especially at night, disturbing my rest and making me feel all tired out in the morning. Doan's Kidney Pills gave very fine benefit at once and continued use brought lasting results. It has been some time now since I have needed such a medicine."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hogue had. Foster-Milburn Co., Props., Buffalo, N. Y.

DOES RHEUMATISM BOTHER YOU?

Many Doctors Use Musterole

So many sufferers have found relief in Musterole that you ought to buy a small jar and try it.

Just spread it on with the fingers. Rub it in. First you feel a gentle glow, then a delicious, cooling comfort. Musterole routs the twinges, loosens up stiffened joints and muscles.

Musterole is a clean, white ointment, made with oil of mustard. It penetrates to the seat of pain and drives it away, but does not blister the tenderest skin.

It takes the place of the mussy, old fashioned mustard plaster.

Musterole is recommended for bronchitis, croup, asthma, pleurisy, lumbago, neuralgia, sprains, bruises, stiff neck, headache and colds of the chest (it often prevents pneumonia).

Turn This Thought Over in Your Mind
for a Few Times.

How much better off are you than a year ago today? How much more independent are you from financial worry? Perhaps you are. Perhaps you used good judgment and no doubt you will continue to be in a still better position.

But if you are not better off financially. If your expenses are greater and you are shouldering new and greater responsibilities, you have a way of being in the first place next year. Many who have put their spare money in a Real Estate Savings Account have made themselves independent of financial worry. They started with a little and their savings grew steadily until they had money for investment. You can do the same.

YOU do not have to "become accustomed" to Ivory Soap for the toilet and bath, as to use it once is to like it always.

Ivory Soap contains nothing that is not agreeable to everybody. It contains no inferior materials to give a strong odor. It contains no free alkali to make the skin smart. It contains no free oil to make rinsing difficult. It contains no perfume which one person may like and another dislike.

In short, Ivory simply is the highest grade of soap, mild, pure, white, *naturally* pleasing. You will like it.

PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel—there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immediate effective result.

Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists.

Every Ingredient Purely Vegetable

VEGETABLE vs MINERAL MEDICINES

If you were as careful of the medicines you take when sick as you are anxious about the disease it is taken for —a wonderful difference in your future health would result.

In a vegetable product like S.S.S. there is no violent after effect—as is found in mineral medicines— but a natural an efficient means of reaching the blood and purifying it, so that it may perform its functions readily.

Remember— any mineral is a violent material to cast into your delicate interior. Demand genuine S.S.S. at your druggist, it is purely vegetable and the Standard Blood Remedy.
